

The image is a 20x20 grid of the word "Poe" in a red, serif font. In the center of the grid, there is a rectangular video player. The video player has a black border and shows a scene from the movie "Inception". The scene features Leonardo DiCaprio in a grey suit and white shirt, looking slightly to his right with a serious expression. He is in a modern, brightly lit office or restaurant setting with large windows in the background. Other people are visible in the background, but they are out of focus. The video player is positioned such that it covers the central portion of the grid, with the word "Poe" visible around it.

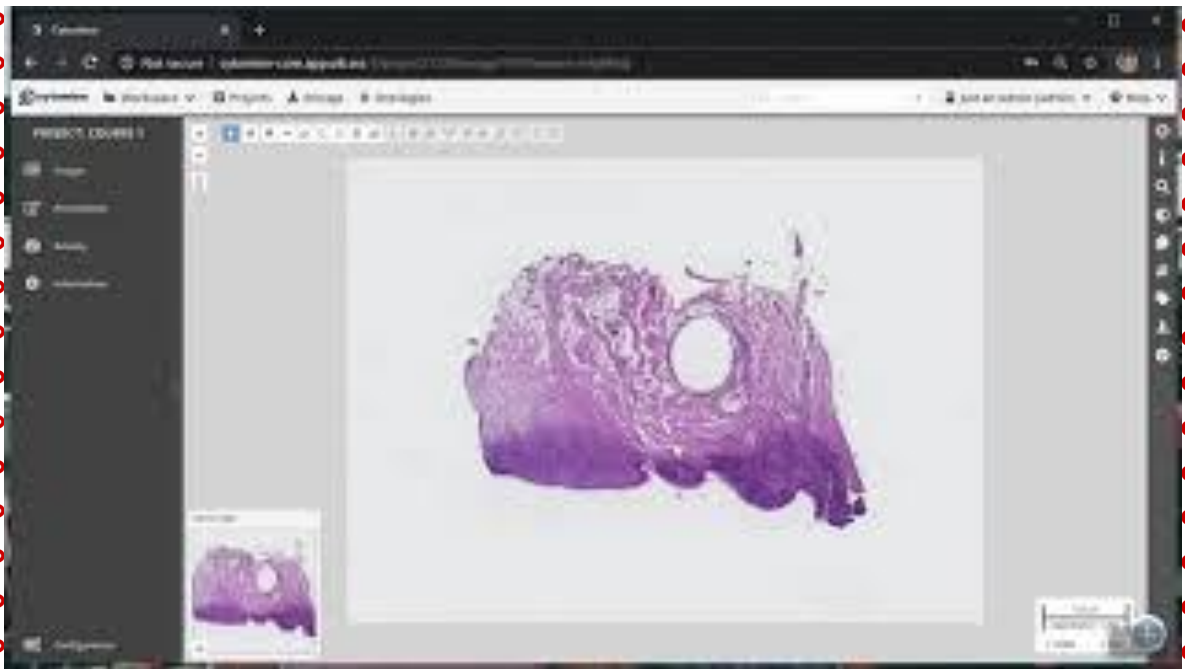

[illegible]

# Did you know DVC doesn't handle large datasets? Neither did we and here's how we fixed it

# ARROW

- Doesn't know anyone or anything here
- Likes all sports
- Wants to get involved with things like code clubs.
- Complains about Bristol gravy.
- Comes complete with much more fun Irish girlfriend.

A meme featuring a woman from the movie 'The Grand Budapest Hotel' looking confused, with the text 'Who the hell is Edgar?' overlaid. The background is a repeating pattern of the word 'Poe' in red.
